

## **Business Affiliate Membership Programme**

The Irish Security Industry Association (ISIA) welcomes business affiliates members who would like to promote their products and services to members companies of the ISIA.

### **About the ISIA**

The ISIA was established in 1972 and has been a voice for the Irish security since then representing the full spectrum of companies within the security industry: Electronic Security (Intruder & Fire Alarms, CCTV & Access Control), Physical Security (locks, safes, gates, shutters and grilles), Guarding Services (Static & DSP), Event Security, Monitoring, Transport/CIT and Security Consultants. Our members make up 70% of the turnover in the security industry in Ireland.
