ISIA Monitoring Station (ARC) Team of the Year 2022

NOMINATION FORM

CRITERIA FOR NOMINATION

This award enables the Security Industry to recognise those security companies who operate monitoring stations and the teams who deliver their services. Monitoring stations are the hidden but critical element in the delivering a response to security threats and incidents. The award is intended to foster and encourage the highest standards in the delivery of this critical security service.

ISIA members are invited to submit nominations which include a case study which demonstrates outstanding performance by a team in their business and demonstrates the team's performance against the criteria outlined below.

- Outstanding Service Delivery
- Demonstration of Quality, Standards & Efficiency
- Innovation & Added Value
- Collaboration & Partnership

Members are encouraged to provide client letters of support or any documentation that supports what has been outlined in the submission by the member company. The ISIA is happy to not name specific clients if requested and all details of submissions will be held in strict confidence.

Submission Guidelines

Please ensure you have provided adequate detail to allow the judges to score your company against each of the outlined criteria for assessment. When outlining your teams' performance and/or service delivery in the above areas, approximately 150 - 250 words would be a good indication of a minimum word count for each assessment criteria. Therefore, as a guide 500 – 1000 words per company submission would allow for an outline of each area to be addressed.

The client support letter or letters (as applicable) should also outline their evaluation of the security company against the criteria outlined above and as a guide should be no less than 200 words.

We have not set a minimum or maximum word count for submissions. The information above has been provided as a guide to assist ISIA member companies with preparing their submissions. The assessment and judging will be carried out based on the submission, Therefore, please ensure all relevant information is contained in the submission.

The Award

The ISIA Monitoring Station Team of the Year 2022 will be announced at the ISIA Awards 2022 held at Carton House.

ISIA Monitoring Station (ARC) Team of the Year 2022

NOMINATION FORM

NOMINATION DETAILS

The ISIA member should detail why they feel that they deserve an award in the relevant category, considering the criteria for nominations and the terms and conditions outlined below. The nomination details should be attached with this document and submitted to awards@isia.ie.

9
